III. EXPLANATION OF WHY CONTESTED CHARGE IS IN ERROR

Applicant claims Small Entity Status. The Fee Transmittal Sheet, as original filed, indicated that applicant claimed small entity, however, the Utility Application Transmittal, as originally filed, failed to indicate that applicant claimed small entity. The fee submitted, as indicated in the original Fee Transmittal Sheet included the filing fee for a small entity and the fee for four (4) additional claims in excess of twenty (20) for a large entity.

The monthly deposit account statement indicates that the fees for filing of the above application are based on applicant being a large entity. In addition, the Patent Office counts twenty-five (25) claims in the application as opposed to twenty-four (24), the actual claim count of the application.

A corrected Application Transmittal is submitted herewith. Accordingly, the total fee due for the filing of the application was \$411.00. Since a check in the amount of \$447.00 was originally submitted with the application, a refund in the amount of \$386.00 is respectfully requested.
